CURRICULUM VITAE

Present Activities

- 1994 to Present Executive Director
SARAH Network of Hospitals for the Locomotor System
- 1997 to Present Dean
SARAH University for Rehabilitation Sciences
- 1995 to Present Member
Board of Directors, SARAH Network of Hospitals for the Locomotor System
- 2001 to Present Member
Board of Directors, International Neuropsychological Society (INS)
- 2000 to Present Member
Board of Directors, International Brain Injury Association (IBIA)
- 2002 Regional Vice-President
World Federation for Neurorehabilitation (WFN)
- 1998 to Present President and Founder
Brazilian Brain Injury Society (SBLC)
- 2001 to Present Manuscript reviewer
Applied Neuropsychology
- 2003 to Present Manuscript reviewer
Pediatric Rehabilitation
- 1997 to Present Professor of Neuropsychology
SARAH University for Rehabilitation Sciences
- 1997 to Present Thesis Advisor
SARAH University for Rehabilitation Sciences
- 1997 to Present Panel Judge
Brain Injury Theses, SARAH University, Université de Reims Champagne-Ardenne (France), Université de Strasbourg (France), Universidade de Brasília, Universidade de São Paulo, Universidade Católica de São Paulo (PUC), Universidade Católica de Brasília (Brazil)
- 1990 to Present Chief Neuropsychologist
SARAH Network of Hospitals for the Locomotor System

Awards and Honors

- 2002 Honorary Citizen of Brasilia Award
- 2000 National Merit Award for Scientific Excellence
Awarded by the President of Brazil, Brasília
- 1999 Doctor Honoris Causa -Université de Reims Champagne-Ardenne, France

Research Activities

- 2003 to Present Participant
Quality of Life in Brain Injury (QOLIBRI) Research Group
- 1992 to Present Coordinator of three research projects in brain injury
Brazilian National Research Counsel (CNPq)
- 1995 to Present Coordinator of five research projects
Research Support Foundation of the Federal District of Brazil (FAP-DF)
- 1994 to 2002 Coordinator of the Brazilian segment
Cooperative Project with France (INSERM/CNPq) in Neuropsychology (Project Coordinator in France, Professor Gerard Deloche - Université de REIMS)

- 1995 to Present Participant
Research projects in cooperation with the European Community in the areas of Neuropsychology and Brain Injury (ALFA)
- 1991 to Present Participant, various scientific committees in national and international congresses: International Neuropsychological Society, Brazilian Neuropsychological Society, Brazilian Cerebral Palsy Society, Brazilian Brain Injury Society, Brazilian Rehabilitation Society, Brazilian Association for Hospital Psychology, among others

Description of Teaching Activities

- 1980 to Present Permanent Member of the Teaching Staff, Medical and Paramedical Residency Programs, SARAH Network of Hospitals for the Locomotor System - SARAH/Brasília
- 1980 to Present Professor of the courses on Cognitive Development and Neuropsychology in the Medical and Paramedical Residency Programs:
- Field: Pediatrics. Period: January 1980 to Present
- Field: Orthopaedics and Traumatology. Period: January 1988 to Present
- Field: Psychology. Period: January 1994 to June 1994
- Field: Nursing. Period: January 1984 to January 1993
- Field: Physical Medicine and Rehabilitation. Period: February 1983 to December 1998
- Field: Functional Therapy. Period: January 1983 to December 1989
- December 1988 Hospital das Clínicas, Federal University of Pernambuco (UDPe):
Professor, Continuing Education Course, "Cerebral Palsy" for professors and students of UDPe and professionals of the Hospital das Clínicas, Recife
- 1997 to Present Ministry of Education - Education Secretariat
Professor of the Course "Infantile Motor Deficiency Associated with Other Disturbances" for professionals of the Education Secretariats and APAES of various Brazilian states
- January 1988 to Present Medical Residency, Hospital das Clínicas, Universidade de São Paulo College of Medicine (HC/USP)
Member of the team of instructors on a joint project between HC/USP and the SARAH Network of Hospitals for the Locomotor System (all of the Medical Physics and Rehabilitation residents from the Universidade de São Paulo do a three month internship at SARAH). Internship Instructor of the Medical Physics and Rehabilitation residents from HC/USP
- Month 1990 to 1991 Universidade Católica de Brasília
Professor of the Graduate Course on Brain Injury and Special Education
- February 18, 1992 Universidade de Brasília
First Place, Federal contest for a professorship at the Instituto de Psicologia (D.O.U.)
- 1994 to Present Panel Judge, Masters and Doctoral Thesis Examinations in the field of Brain Injury Universidade de Brasília
- 1997 to Present Universidad de Barcelona
Professor of the course "Aphasia and Language Disturbances"
February 1990 to 1997 Intern Instructor in the fields of Brain Injury, Neuropsychology, Psychology, and Pedagogy - SARAH Network- Internship Instructor of Graduate-level Pedagogy and Psychology professors with clinical backgrounds
- 1997 to Present SARAH University for Rehabilitation Sciences
Dean and Professor of Graduate Courses

Professional Experience at the SARAH Network of Hospitals

- 1997 Co-founder, SARAH University for Rehabilitation Sciences
- 1994 Executive Director, SARAH Network of Hospitals
- 1994 Represented the SARAH Network in the European Research Project in Neuropsychology coordinated by Professor Gerard Deloche: "European Standardized Computerized Assessment Procedure for Evaluation and Rehabilitation of Brain Damaged Patients".
- 1994 Coordinator, Human Resources Program, SARAH Network
- 1994 Member, Administration Board, SARAH Network
- 1993 Coordinator, Research Committee of the SARAH Network
- 1993 Member, Counsel of Directors, SARAH Network (accumulating the previous positions of Rehabilitation Coordinator and Human Resources Coordinator)
- 1993 Coordinator, Scholarship Awards for Study Abroad Project, a SARAH/CNPq joint venture (RHAEn. 42/92)
- 1992 - 1996 Participated in the founding of the SARAH hospitals in Salvador, São Luís, and Belo Horizonte
- 1992 Coordinator, Training and Education of SARAH's Human Resources Division
- 1992 Member, Commission of Equiphos Consultants - for the establishment of scientific and technology research directives
- 1992 Member, Merit Counsel, SARAH Network
- 1992 Member, Counsel of Directors, SARAH/Brasília

- 1991 Coordinator, Divisions of Rehabilitation and Services, comprised of the following programs:
 - Adult Spinal Cord Injury
 - Adult Brain Injury
 - Pediatric Brain Injury
 - Pediatric Rehabilitation Gymnasium
 - Psychology and Pedagogy Services
 - Social Work
- 1990 Coordinator, Neuropsychology and Pedagogy Services together with the Pediatric Treatment Division
- 1987 Member, Committee for Recruitment, Selection, and Training of Professionals for the SARAH hospitals in São Luís, MA and Salvador, BA
- 1984 - 1991 - Coordinator, Pediatric Treatment Division (comprised of):
 - Movement Laboratory
 - Pediatric and Brain Injury Wards
 - Cerebral Palsy Division
 - Pediatric Rehabilitation Gymnasium
- 1983 General Coordinator, Cerebral Palsy and Traumatic Brain Injury Divisions; Coordinator, SARAH Program for Infan-
 tile and Adolescent Mental Health
- 1980 Coordinator in the field of Cognition, Cerebral Palsy Divisions
- 1979 Neuropsychologist, Cerebral Palsy and Traumatic Brain Injury Divisions
- 1977 to 1978 Clinical and Research activities in Musicotherapy with children with brain injury (Scientific Initiation Scholarship, CNPq)

Scientific Papers in Congresses, Seminars, and Meetings

- 001 Braga, LW (2003). The Child and adolescent with brain injury: The experience of the SARAH Network of Hospitals in Brazil. First Gérard Deloche Meeting on Neuropsychology and Cognitive Rehabilitation: Epidemiological, Clinical and Experimental Approaches. Paris, France, November 15.
- 002 Braga, L.W. (2003) Rehabilitation and the Role of the Family. First International CTRF-symposium held in conjunction with the 5th World Congress on Brain Injury, Stockholm, Sweden, May 23-26.
- 003 Braga, L.W. (2003) Qualitative Approach: Evaluation and Re-education as an Integrated Process International Neuropsychological Society's 31st Annual Meeting. Honolulu, Hawaii, February 5 - 8.
- 004 Braga, L.W. (2002) La Participation de la Famille au Processus de Rééducation de l'Attention. Fribourg, Switzerland, September 20.
- 005 Braga, L.W. (2002) L'Enfant Victime de Traumatisme Crânien et Qualité de Vie. Fribourg, Switzerland, September 21.
